General Safety Notices

*Based on the age of your home and the utilities delivered to it.

1. Window Blinds / Curtains with "Loop" Style Cords.

Window Blinds / Curtains with "Loop" Style Cords have caused multiple deaths to small children. It is recommended that these blinds or curtains be replaced with cordless options.

2. Consider Installing Carbon Monoxide Detectors if your Home uses Natural Gas.

Recommend installing carbon monoxide detectors within 15' of all sleeping quarters if your home uses any gas operated appliances.

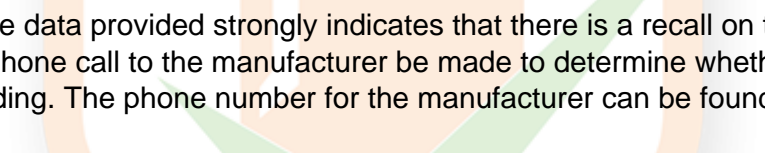

3. Water Heater Safety.

Water Temperatures above 120 degrees Fahrenheit can cause scalding, especially to young children. Please make certain that you or a qualified professional set the thermostat to a safe temperature.

Contact Type 2 Contact Number 2	CPSC Recall Hotline 800-638-2772
Contact Type 3 Contact Number 3	CPSC Media Contact 301-504-7908

Potential Hazard Posed by the Appliance:

The ice level detector arm in the ice maker can break into pieces and fall into the ice bucket, posing a choking hazard.

Incidents Reported, if any:

Electrolux has received 185 reports of the ice level detectors breaking, including one report of gum lacerations.

This Product was Sold thru the following:

Lowe's, Home Depot and appliance stores nationwide and online at Frigidaire.com from April 2020 through March 2022 for between \$1,200 and \$4,300.

Resolution for the Potential Recall:

Consumers should immediately stop using the recalled Frigidaire and Electrolux refrigerator ice makers, empty the ice bucket and contact Electrolux to schedule a technician to replace the ice maker with one that has a polypropylene ice level detector, free of charge.

Instructions to Contact the Manufacturer in Regards to this Appliance:

Electrolux toll-free at 833-840-5926 from 8:30 a.m. to 8 p.m. ET Monday through Friday, by email at IceMakerRecall@electrolux.com or online at www.icemakerrecall.com or at www.electrolux.com or www.frigidaire.com and click on "Recalls" at the bottom of the page for more information.

Recall Description as Reported by the Manufacturer:

This recall involves 13 models of Frigidaire refrigerators and one Electrolux model refrigerator. The refrigerators all feature an ice maker and come in stainless steel, white and black. The brand name, model and serial number for each unit is printed on a label located on the right panel in the interior of the refrigerator compartment. The refrigerators range from 23 to 36 inches wide. The following model numbers and their serial number ranges are included in this recall.

Brand	Model Number/Product Type	UPC Code	Serial Range

Contact Numbers Regarding This Recall Report

Contact Type 1 Contact Number 1	Firm's Recall Hotline 800-990-6254
Contact Type 2 Contact Number 2	CPSC Recall Hotline 800-638-2772
Contact Type 3 Contact Number 3	CPSC Media Contact 301-504-7908

Potential Hazard Posed by the Appliance:

The ranges can tip over when a heavy weight is placed on an open oven door and the anti-tip-over bracket is not secured to the wall or floor, posing a tip-over hazard and risk of burn injuries from hot food or liquids in cookware.

Incidents Reported, if any:

None reported

This Product was Sold thru the following:

Home Depot, ABC Appliance, and other appliance stores nationwide and business-to-business distributors, including Almo Distributing, Penna Inc., Home Depot Pro and Tri State Distributors from June 2021 through November 2021 for between \$560 and \$740.

Resolution for the Potential Recall:

Consumers should contact Danby Appliances to determine if their unit is part of the recall and to schedule a free in-home service call to inspect the recalled range's anti-tip bracket and ensure it is securely installed in the floor or wall. Consumers are cautioned not to place any objects on the open oven door until the range's anti-tip bracket has been inspected and repaired, if necessary. Consumers should not return the recalled ranges to the place of purchase, as retailers are not prepared to take the units back. Danby is contacting all known purchasers directly.

Instructions to Contact the Manufacturer in Regards to this Appliance:

Danby Products toll-free at 877-246-2296 from 8:30 a.m. to 6 p.m. Monday through Thursday and 8:30 a.m. to 4:30 p.m. on Friday ET, or online at <https://www.danby.com/en-us/support/product-recalls/> or at www.danby.com and click on "Product Recalls" for more information.

Recall Description as Reported by the Manufacturer:

This recall involves free-standing and slide-in electric and gas ranges sold by Danby Products Limited. The units were sold in white, black and other finish colors. The model number is located on the oven frame or under the electric stovetop, visible after opening the door or lifting the stovetop. Only units with the below model and serial numbers are included in the recall. The gas range serial number is located on the oven frame inside the bottom drawer. The electric range serial number is located under the electric stove top.

"Danby" is printed on the stove top. Model Number UPC Serial Range Description DER202B A*
